

SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE

April 6, 2007

Permit Number: OCRM-07-085-M
Permit ID: 58193

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Rick Flaherty
C/O Newkirk Environmental, Inc.
P.O. Box 309
Bluffton, SC 29910

LOCATION: On and adjacent to the Kiawah River at 5 Sundown Bend, Kiawah Island Subdivision, Charleston County, South Carolina. TMS#: 207-05-00-028

WORK: The work as proposed and shown on the attached plans consists of constructing an erosion control device. Specifically, the structure will consist of a 3' high by 60' long wooden retaining wall with filter cloth and associated backfill placed at and adjacent to the critical area line. The work as described is for erosion control.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before April 21, 2007. For further information please contact the project manager for this activity, Fred Mallett at 843-953-0236.
